ADMISSION RULES IN VARIOUS UNIVERSITY FOR A LEVEL STUDENTS

The following information is compiled from the advertisement published in the daily newspaper for admission in various university of Bangladesh for the session 2008-09. The rules are made compatible for the next session (2009-10), but the university authorities can change the rules any time.

Bangladesh University of Engineering and Technology (BUET) Dhaka

Eligibility :

- (a) Candidates must have A-level certificate after November 2008 and O-Level after November 2005
- (b) Candidates should have at least 5 papers including in GCE "O" Level exam with average B grade (Physics, Chemistry, Mathematics & English) and also must have Physics, Mathematics, Chemistry with each minimum B grade in "A" Level exam.

Department	Module	Subject	Question Type	Total Questions		Exam Duration	Total marks of the Modules
				Written	M.C.Q.		
Engineering and Urban & Regional Planning	A	Mathematics Physics Chemistry English	50% written and 50% M.C.Q	30	60	3hours	600
Architecture	B	Free hand drawing	Drawing	08		2hours	400

1.25 marks will be deducted for each wrong answer(MCQ). Merit list will be prepared on the basis of marks obtained in the admission test only. Last year admission test was held on 20th November 2008.

Total seat number : 885, Web site : www.buet.ac.bd

Institute of Business Administration, University of Dhaka (IBA)

Who can Apply:

Anyone having completed the H.S.C or its equivalent and S.S.C or its equivalent in any subject group, with a minimum of five qualifying points. An applicant having appeared at O-Level exam must pass at least five subjects (including mathematics). In case of A-Level exam an applicant must pass at least two subjects. The minimum qualifying point in five for all applicants.

The point determination for an application is laid out in the table below:

SSC GPA/Div	HSC GPA/Div	O-Level GPA*	A-Level GPA*	Qualifying Point
> = 4.5 / 1st	> = 4.0 / 1st	> = 3.0	> = 2.5	3
> = 3.5 / 2nd	> = 3.0 / 2nd	> = 2.5	> = 2.0	2

* Letter grades of 'O' Level and 'A' Level subjects are converted to grade points (A = 4, B = 3, C = 2, D = 1). In case of 'O' Level, Grade Point Average (GPA) is calculated by averaging the grade points of the best five grades and in case of 'A' Level, the same is calculated by taking the best two grades. For all other foreign certificates, equivalence will be determined by IBA.

Question pattern, Subject, Number & Time in the Admission Test:

Subject	Pattern	Question No	Marks	Total Marks	Time
Language & Communication	M.C.Q & Written	50	50	100 (1 marks for each M.C.Q)	2 hrs
Mathematics	M.C.Q	30	30		
Analytical Ability	M.C.Q	20	20		

N.B. 0.25 marks will be deducted for each wrong answers

Selection Procedure:

To qualify in written test, an applicant is required to obtain a minimum mark in all 3 sections separately.

Communication Test :

Candidates will be selected for communication test on the basis of their performance in the admission test (written). Final selection for admission will be based on the scores obtained by applicant in the written test and the communication test.

Date of last year admission test : Friday, October 31, 2008.

BUET Admission Test 2008

Saberul Islam Sharker
BUET Position 373rd
'O' Level : Oxford International School
'A' Level : Oxford International School

Fatima Enam
BUET Position 488th
BUET-Architecture Position 27th
BIS, (Dharmam) K.S.A.

Kazi Fahriba Mustafa
BUET-Architecture Position 35th
'O' Level : Sunnydale
'A' Level : Mastermind

I had always wanted to study in BUET and for that OMECA seemed to be the best option. It's pretty tough to get into BUET and a way more difficult for us, English medium students. It was OMECA that helped me get a chance. The brothers and sisters of OMECA are brilliant and extremely supportive. They were always there when I needed help. Thanks to OMECA.

Saberul Islam
BUET Merit Position 373
Oxford International School

First of all I would definitely have to thank Allah for being blessed to study in BUET. Coming from a different country, I faced problems at first but thanks to OMECA, everything turned out to be fine. Thumbs up to OMECA

Fatima Enam
BUET POSITION
Eng: 488
Arch: 27

Firstly, I would like to thank my Almighty Allah, for such a gift as BUET, secondly my parents, my friends and school teachers who believed that I had the caliber to achieve my dream. Lastly and most important OMECA has played a huge role in my journey of success. My Physics sir from OMECA Fahad sir, had been a constant support and go-guardian in my hard days and dared me to dream as a BUET Architecture student. Long live OMECA.
